

# Résumé / Michal Kechner

## Señor Front-end Engineer

Front-end Engineer with a focus on web standards and robustness. Solving problems by thinking and making, from idea to execution.

Nearly 15 years of experience in web development and building tools and digital projects for some of the biggest brands in the world including [ABB](#), [Aegon](#), [American Express](#), [BP](#), [BSI](#), [Camfil](#), [Canon](#), [Ellos Group](#), [FIBA](#), [Mazda](#), [NetJets](#), [SEAT](#), [SKF](#), [SLH](#), and many others.

Clean Code, [TDD](#) and [RWD](#) lover. Good typography fan. Cars maniac.
